AN INDUSTRY THAT NEVER QUILTS

One of the most exciting things about the beauty industry is that there is always something new to learn. With each year that unfolds, fresh trends emerge, infusing excitement and creativity into the field.

Here are some of the favorites we've seen:

- Braids
- Sculptural Hair
- Solace Makeup Routines
- Nostalgic Hair Styles
- Bold Lips All Year
- Eye Art
- Colorful Hairstyles

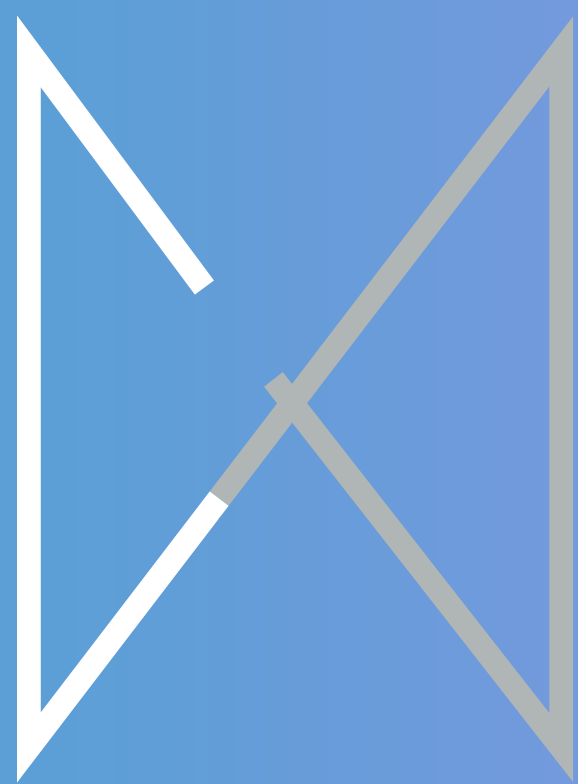

We're excited to see what else comes as the years go by!

The bottom line is that beauty is always evolving and when you enter the industry there will always be opportunities to learn more!

According to the Bureau of Labor Statistics, **cosmetologists and barber careers are going to increase 11% within the next decade, and 17% for estheticians**, much faster than average!
